### Notification of Financial Obligation

All financial obligations for college tuition, fees and textbooks for each college course taken will be assumed by the Sumner County School System. However, any debt acquired by the student for fines becomes the responsibility of the individual who acquired the debt. This includes parking tickets and library fines.

**Students who fail to post a letter grade of C or higher in any college course are required to reimburse Sumner County Schools for the full costs of the course including books. The debt must be paid prior to the student being permitted to enroll in additional college courses. In addition, an unpaid debt will result in the student's return to his/her zoned school. If the debt is not paid in full, the student will not be able to participate in graduation nor will his/her transcript be released.**

I understand that even if my child turns 18 while enrolled at Middle College High School, I am still responsible for any financial obligations incurred by my student.
